PLAYING LIKE A GIRL

Pensé que iba a decir que se enojaría o, estaría enfadado, estaría triste, pero no el chico me dijo que se sentiría destruido.

Cesar Chavez

"Those who are willing to sacrifice and be of service have very little difficulty with people. They know what they are all about. People can't help but want to be near them. They help them; they work with them. That's what love is all about. It starts with your heart and radiates out."
